WELCOME TO THE

SERVICE SIX *Celebration* EVENING

Thank you for joining us tonight for our 3rd Annual Celebration Evening!

Our theme for the show is Journeys - and that's what we hope to take you on tonight. Everyone's journey is different, and there will always be some parts that are difficult, and some that are more hopeful. This is also reflected in our journey as a charity, which has been shaped by the those of the children, young people and families that use our services. We hope that we have also shaped their journeys too, as no one should have to walk alone.

We hope you enjoy the show tonight, as we have some amazing performers lined up, ready to help us celebrate!

MESSAGE FROM OUR CHIEF EXECUTIVE

Since 1979, Service Six has stood alongside children, young people, and their families, providing support at the moments it is needed most. Across Northamptonshire and surrounding areas, we continue to deliver life-changing, and often life-saving, services that help young people feel safer, stronger, and more hopeful about their future.

At the heart of Service Six is a simple but powerful vision: a world where every child and young person can thrive. That vision drives everything we do.

I am continually inspired by the dedication, compassion, and professionalism of the Service Six team. Day after day, they respond to increasing demand with commitment, care, and determination, always keeping the needs of children and young people at the centre of their work.

We are proud of the difference we make every day - the lives we help change, the confidence we help build, and the futures we help shape.

Thank you for joining us tonight
to celebrate the work we do, and
the community we support.

Emma Campion,
Chief Executive

CASTLE ARTS

Castle Arts is the place for those from Wellingborough and the surrounding areas to learn performing arts skills in a theatre environment.

Join our community to develop your stagecraft, gain confidence and most importantly - have lots of fun! With youth classes in Dance, Drama and Musical Theatre and our adult Community Choir and Theatre Company, there's a place for everyone to create, perform and connect.

LOUISE WRIGHT THEATRE SCHOOL

Louise Wright Theatre School

DANCE • ACT • SING

Louise Wright Theatre School is a vibrant and welcoming theatre school based in Kettering, offering classes in Screen and Theatre Acting, Musical Theatre and Dance for children and young people aged 3–16yrs.

The school is passionate about nurturing talent, building confidence and encouraging creativity in a fun, supportive and inclusive environment. Students are given opportunities to develop their skills and enjoy a variety of performance opportunities including local and national events and performing at Disneyland Paris.

LWTS is delighted to be supporting this wonderful charity event and are incredibly proud of our young performers!

U R ACTORS

U R Actors was formed in 2002 and has performed a range of well-known musical theatre shows and smaller variety style productions every year. Our aim is to have fun while learning, developing and exploring the skills of drama and performance, singing and dancing; and thus develop new friendships and a growth in ability and self-confidence. There is no audition to join the group and everyone between the ages of 7 and 18 years are made welcome (although we do cap our numbers at 40 members).

On Thursday evenings members enjoy a variety of activities such as trying to capture the character using make-up skills or masks, singing, movement to music and/or dance, improvisation, workshop drama and interpreting and rehearsing from a script but more importantly they have fun while learning to work as a team.

We have a great team of leaders, both those with relevant qualifications and also some young people who have now reached the age of 18 and wish to continue with us. As everyone is a volunteer and we are given our rehearsal space at no cost, we currently don't charge the young people anything for taking part.

Every Member is guaranteed a part in our annual production and we have just begun rehearsals for 'School of Rock - Youth Edition' which will be performed at the end of February.

TRESHAM COLLEGE

Tresham Academy of Musical Theatre (TAMT) delivers specialist training through the UAL Level 3 Performing & Production Arts (Musical Theatre Pathway), preparing students for progression into higher education, conservatoire training and the creative industries.

Students receive professional training in Acting, Singing and Dance from tutors with extensive experience across the West End, theatre and commercial performance industries. Alongside their studies, learners perform in concerts, productions, awards ceremonies and community events, whilst benefiting from West End workshops, industry masterclasses and teaching placements through our partnership with Born to Perform.

TAMT students have proudly represented the Academy at the prestigious N:Dance Celebration Evening at The Core at Corby Cube and have progressed to institutions including Urdang, Bird Conservatoire, Mountview, London Studio Centre, LIPA, Stella Mann and Performers College.

Train. Perform. Create. Progress.

FROM NOW ON

I drank champagne with kings and queens, the politicians praised my name
But those were someone else's dreams, the pitfalls of the man I became.
For years and years, I chased their cheers, a crazy speed of always needing more
But when I stop, and see you here, I remember who all this was for

Chorus

And from now on, these eyes will not be blinded by the lights
From now on, what's waited 'til tomorrow starts tonight, it starts tonight
And let this promise in me start, like an anthem in my heart
From now on, from now on

And we will come back home
And we will come back home, home again (x7)

Chorus

And from now on, these eyes will not be blinded by the lights,
From now on, what's waited 'til tomorrow starts tonight,
it starts tonight
And let this promise in me start, like an anthem in my heart
From now on, from now on

And we will come back home
And we will come back home
Home again (x3)

From now on
From now on
Home again, oh, ooh
From now on
From now on
Home again
